To Our Wonderful Clients and Friends;

Thank you so much for scheduling your massage with us. We at Klein Chiropractic Center are dedicated to helping you reach your optimal level of health with our services. Our policy for massage is that your **FIRST** massage is an introductory price of \$39. If you would like to schedule a 2nd, 3rd or 4th massage, *and we hope you do*, it will cost \$60.

If for some reason you need to cancel and reschedule a massage, there is a 24-hour cancellation policy. If you fail to show up for an appointment and do not give the 24-hour notice, you will be charged the amount of the massage for the day.

Also, as a thank you for scheduling a massage with us, we would like to extend the opportunity for a **COMPLIMENTARY** consultation with the doctor. This consultation will include a complete evaluation, all necessary x-rays and a report of the doctor's findings. To take advantage of this opportunity, please express your interest with the chiropractic assistant at the front desk and we will get you scheduled at a time that is convenient for you.

We hope that you enjoy our friendly atmosphere and helpful staff and ask that if you have a pleasant experience here, please let your friends know about our services.

Thanks again for coming in and **WELCOME TO OUR OFFICE!**
